

MAKUTSI

SAFARI SPRINGS

Between the Drakensberg Mountains and the Kruger National Park on the banks of the Makutsi River, lies Makutsi Safari Springs. It is raw African bush enjoyed by people that appreciate the peace and serenity of nature. Palms and acacias, elephants, rhinos, giraffe, crocodiles, lions, cheetah, leopard.... Bushveld.

On the grounds of Makutsi Safari Springs, soft thermal-mineral water bubbles from two hot springs, nestled among indigenous trees.

The food is a healthy variety of venison specialities, home grown vegetables and home bred beef.

No casinos, no discotheque, a place for the silent minority.

Day 1: Airport to Makutsi Safari Springs

The representative from Makutsi Safari Springs will meet you at either Hoedspruit or Phalaborwa Airport for the 1-hour transfer to the lodge. Enjoy an afternoon of relaxation and getting to know the camp and the mineral springs. Dinner is served in the traditional open air "Lapa".
