

In order for any client to participate in Makutsi Tented Camp, you have to be aware of, and accept, following requirements:

- All participants have to be over 16 years of age
- All participants should be capable of and fit enough to cover a distance of 3 kilometers in an hour (ie: cover a total distance of 6-8 km during the walk)
- All participants should be capable of and fit enough to walk for a duration of 2.5 hours
- All participants have to bring good walking shoes
- Clothing requirements relevant to ALL layers of clothing: guests should avoid all white and black clothing (contrasting colors) as well as shocking colors that will stand out (i.e.: bright yellow or red). The ideal colors are: dark khaki, dark grey and shades of dark brown or green.
(Once again contrasting colors should be taken into consideration - even if a shirt is beige/khaki, if it is very light, it will contrast greatly to the bush similarly to white clothing. Similarly, a very dark blue piece of clothing will have a contrast effect like black clothing)
- Important to take along (and participants should be willing and capable of carrying for the whole duration of the walk): Water, allergy/hay-fever medication (walking through grasses with pollens) as well as optional extras - binoculars and camera
- ***Should the management on site at Makutsi establish that any client is not able to participate due to a limited level of fitness, they have the right to swap your Tented Camp experience for alternative game drives on Makutsi.***
